

Skill builder - Draw a Hand

Xirfad dhise - Gacan ku sawir

Much of drawing is learning how to forget your mental picture of something and instead focus on the visual properties (such as **line**, **shading**, **proportion**, and **texture**) that you see.

Inta badan sawiradu waa barashada sida loo iloobo sawirkaaga maskaxeed ee shay oo taa beddelkeeda diirada saara sifooyinka muuqaalka (sida line, hadh, saamiga, iyo texture) ee aad aragto.

Draw a hand with as much detail as possible, but without looking at your hand, or anyone else's. <i>Ku sawir gacanta faahfaahinta ugu badan ee suurtoqalka ah, laakiin adoon eegin gacantaada, ama qof kale.</i>	Now draw your hand with as much detail as possible, but you are allowed to look at it this time. <i>Hadda gacantaada ku sawir faahfaahinta ugu badan ee suurtoqalka ah, laakiin waxaa lagu oggol yahay inaad eegto markan.</i>
