The Three-Ring model of gifted behaviour

Nobody is born gifted.
It is something that
we DO.

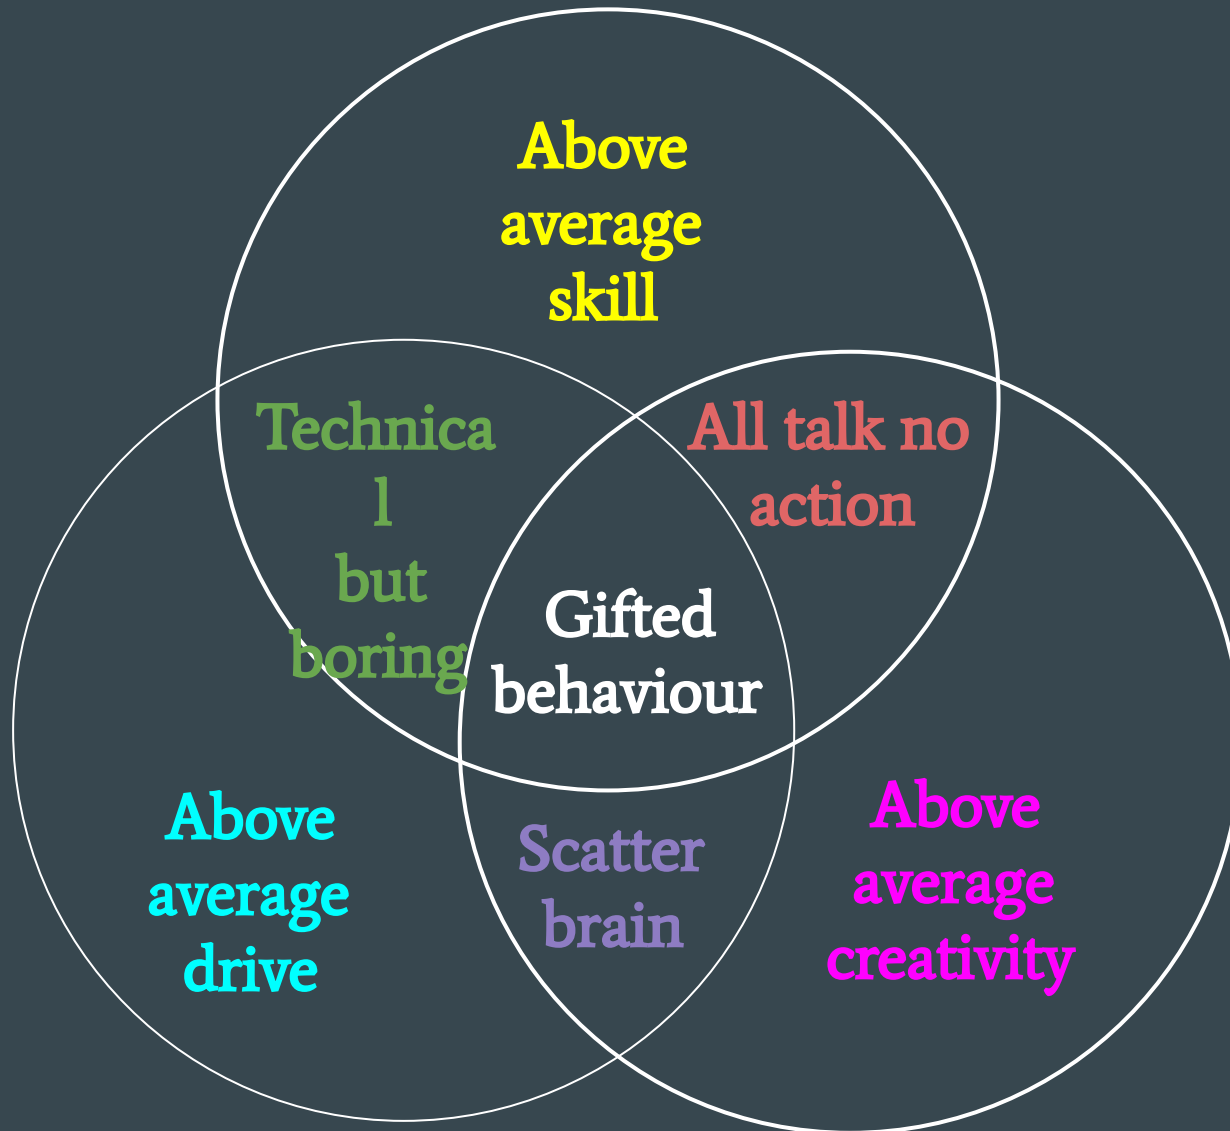

You need three
things to be
above
average.

The Three-Ring model of gifted behaviour

The Three-Ring model of gifted behaviour

Gifted behaviours are based on YOUR choices

How to kill your skills:

"I don't have to practice playing guitar because I watch my friends do it."

You can **keep practising**

Technical
but
boring

All talk no
action

Gifted
behaviour

You can find
your **own motivation**

Scatter
brain

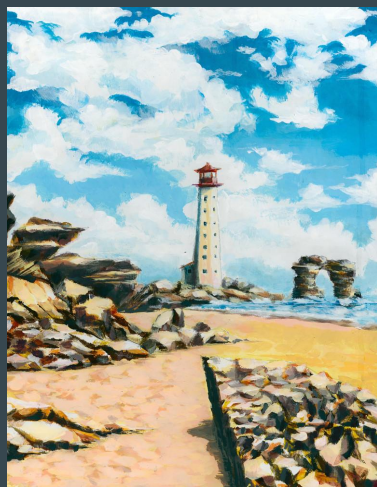

You can seek
out **new and different**
things.

How to kill your
creativity:

"I only want to do the stuff I already know and like. I only want to do things my way."

How to kill your drive:

"This is boring. I am going to stop until someone else makes me less bored."

Creativity - These are your responses...

Allowing others to feel the emotion and believing in something even when you feel you can't
An old Victorian manor shows how precisely homes used to be built
Animal product testing
Background checks before electing presidents
Bad hair days
Bad stereotypes
Bad views on gender, sexuality, and race
Beaches remind me of going to Cape Breton every summer.
Being able to believe in feeling alive
Being able to hide behind words inspires me
Being in darkness
Being rude to people for no reason
Breaking Bad is one of the greatest shows of all time because of the story and how it was captured
Death and the power it holds over people
Depression and the quality of being able to feel so deeply
Easier transportation
Electricity underground
Everyone knows that everyone you know won't be around forever
Free food samples everywhere (McDonalds, Sobeys, etc.)
Ghost Mountain returning to Haunted Mound
Ghost Mountain returning to Haunted Mound.
Global warming
Going to school for 13 years
I actually like the rain - not going inside, but while inside; it's a cozy vibe.
I always think about if fire was purple instead of orange
I am so embarrassed that once I stole the ball from one of the teammates.
I like seeing the different times of day because of the cool colour changes.
I love basketball because it is a distraction from everything.
I love how waking up every morning inspires me and being able to feel alive in moments
I love looking at other artworks because they can inspire creativity
I love my cat, he gives me joy.
I love reading poetry and having the words inspire me and make me feel understood.
I love that my mom does weekly check ups on me and my friend relationships.
I love the way colours can fade into different colours.
I love the way music can speak to me and help me with my emotions.
I love the way the ocean looks at night.
I will never understand how music is transferred onto vinyls
I wonder what the world would be like if no one went to school and we learned with experience rather than be told
Ice melting where animals live/rely on
Id change people's view on love and loving themselves. I want everyone to be able to feel free within themselves.
Judging someone based on one aspect of them, and not fully knowing them
Less industrial factories
Lil Peep come back from deceased
Lil Tracy go back to Yung Bruh
Longer weekends
Math is a required course in grade 11 and 12
More accessible food for every living thing
More of a habitable environment for animals
More tax on the rich/no tax at all
Music and the flow of the melodies

...to what other people wrote

My favourite old teacher was Ms. Tucker and she had a pretty tattoo of a water lily on her wrist.
My view on things
NHL team in Halifax
Nature and how it is dying
New music artists that are just making music that already exists and isn't creative
Not being able to time travel
Parents thinking that they always know best
People being mean to animals
People breaking the law (in a bad way)
People loitering
People lying
People lying under oath

Sunrise/sunset are my favourite times of day because of the colours.
Teachers giving homework
The Trailer Park Boys is a very funny show. Me and my siblings like it. My brother and his friends were them for Halloween.
The colour blue, I love how a colour can make you feel such deep emotions and how a colour can understand you
The different colours of flowers always fascinate me
The earth warming due to human actions and how some things will never be the same again
The fact that we can never go back and that everything that happens will never happen again
The idea of hating someone
The moon and the light that comes off it in the dark
The ocean is something humans might never understand
The sky is one of the most beautiful things in the world
The sound of rain reminds me of going to the museum when I was younger
The way leaves change colours in the seasons, I love how beautiful they become
The way people judge others based on what they're wearing
The way people view the world
The way the clouds spin and how the earth moves
The way the sunsets at a certain time and the calmness it brings
The way time changes
The weather: I wish for it to always be a not wet but not too hot of a day
There is something funny/dark about the app Tiktok.
Trailer Park Boys making new episodes
Travelling makes me think of beautiful trees and beaches in the Dominican.
Tulips and baby's breath are my favourite types of flowers I think.
Wanting to be in like everyone else
Water and the way it flows; as well as the waves being produced
When things are expensive and it doesn't make sense
Why do we work just for the government to take it all?
